## THE OLD WELCOME THE NEW

*The 2nd. prize winners (most original), in Monday's Parade. Entry by Ladies of the Altar, theme "The Old Welcomes the New". Rear: Mr. Neil Ross in a real "birthday mood". (More pictures of the Parade in next week's issue).*

## 103rd BIRTHDAY TERRIFIC SUCCESS

More than 10,000 people enjoyed St. Albert's 103rd birthday on Monday. The weather turned out beautiful to add so much to this tremendous success. The parade had 76 entries, a record for St. Albert parades. Mr. Gordon Parkes who was in charge, did a wonderful job. The parade was timed perfectly with no long waits between floats. The quality of the floats was on a really high standard with lots of work involved in making them. St. Albert can be proud to have such an annual event. There were many out of town visitors, some even from England, Mexico, U.S.A. and even

South America and Germany, and all were surprised that our small town could produce such a show. The judges had a very difficult task to choose the 3 best decorated and the 3 most original floats out of all the beautiful entries. After careful deliberation they chose the following: Best Decorated 1. Grandin Shoppers Park, 2. Bermont Real Estate, 3. St. Albert Gazette. The Most Original 1. Lorne Sim with his St. Albert "swimming pool" (No, it wasn't your Editor, although the size and the topic fooled many) 2. The Altar Society with their "Old Welcomes the New" and 3.

Mission Park Playground. Thanks to the judges who did such a difficult but first class job.

Once again the decorated bicycles were a colorful part of this parade. Although there were only five more entries than last year, the quality was much higher. The ladies of the W.I. who judged this event gave first prize to Coleen Kelly (most original) second John Chisko (most attractive), third John Vaugois (most comical). Honorable mention went to Simone Cloutier, Theresa O'Flaherty, Kitty Mann, Kevin Weinmeyer, Rita Vachon

## ST. ALBERT LIBRARY

The St. Albert Public Library is open  
the following days:

Tuesday 7 - 9 p.m.  
Thursday 4 - 6 p.m.  
Saturday 2 - 5 p.m.

Richy Facette and Jack Paul. Thanks to  
all the boys and girls who spent so many  
hours and made this parade such a color-  
ful success.

After the parade, thousands watched the  
exciting Go-Kart races at Grandin Shop-  
pers Park. It was a good idea of the  
organizers to include this event in our  
celebration. We hope to see this become  
an annual event.

As soon as the Go-Kart races were over,  
the people went over to the fairgrounds  
at Sir George Simpson School. This was  
the first time that these grounds were  
used for the fair and it was a great  
success, but we would like to make a few  
suggestions. First, although the ground  
(mostly clay) was fine in dry weather,  
a little rain could have spoiled the  
whole field. Second, there should be  
more than one admitting gate. We saw  
many people climbing the fence, not be-  
cause they didn't want to pay, but they  
didn't want to wait so long. Third, the  
baseball field was too close to the  
public and there could have been a ser-  
ious accident.

The Booth operators all reported terrif-  
ic business.

The Sky Divers event was one of the most  
popular of the day. It was a spectacul-  
ar sight to see the red and white para-  
chutes against the blue sky. This is  
another very attractive event which we  
would like to see annually.

The grandstand show was also a great  
success. There were not enough seats  
for all so thousands of them watched  
from the hillside.

The Kiddies Races, in the capable hands  
of Donald Cuts, added so much to the en-  
joyment of our youngsters. A Football  
tournament which was won by Rex Concrete  
of Edmonton, attracted many people. The  
St. Albert Hercules PeeWee team (North-  
ern Alberta Champs) beat the Calgary All  
Stars by a score of 5-2. The goals were  
scored by Keith Aaronson (2), Steve Wal-  
ker, Darrel McLean and Bruce Hittinger,  
who each scored one goal. The Hercules  
would like to thank the Westmount Shop-  
pers Park Assn. for the use of their  
PA system, and also the local firms who  
donated the "Try Your Luck" Kick game.

When evening came the traditional bon-  
fire, sponsored by the St. Albert Fire  
Dept. was attended by a huge crowd who  
also enjoyed the magnificent fireworks  
display. When the day was over, hundred  
went to the St. Albert Community Hall  
where the dance-party continued until  
2 a.m. The hall couldn't absorb the  
hundreds waiting outside and we suggest  
that next year this dance be held in  
more than one place (or maybe we'll have

a bigger community hall- recreation cen-  
tre.)

Winner of the 1964 Valiant, raffled by  
the Chamber of Commerce, was Mr. R.L.  
Wakefield, St. Anne St. The Gate Prize,  
a bicycle donated by the Kinsmen Club  
was won by Margaret Sawatsky, Gordon  
Cres., and the Holiday Camping Trailer  
made by Lynx Industries of St. Albert  
was won by John Demers, Mission Ave. A  
resident of Jasper Place, J. K. Pruden,  
won the 103 silver dollars donated by  
the St. Albert Fire Department.

The Flower and Baking Exhibit was a bit  
disappointing as there were so few en-  
tries due to late advertising and unex-  
pected circumstances. However, Special  
mention went to Mrs. Deluca for her dis-  
play of flowers, to Mr. Racine for his  
carvings, and Mrs. Kelly for her very  
nice display of baking. Mrs. Kelly put  
in a lot of time for this exhibition and  
the judges felt that her name should be  
mentioned specially. The W.I. would  
like to thank the Arts and Craft Guild  
for bringing such a nice display for  
this exhibition. They also wish to  
thank the Chamber of Commerce for pro-  
viding the tent, tables and chairs. The  
W.I. plans a promotion campaign in co-  
operation with other organization in  
town for next year. We sincerely hope  
that this will help.

Last, but not least, the six bands who  
participated in the parade and gave con-  
certs throughout the day, helped so much  
to keep up the festive mood. We should  
have bands all over town next year so  
that everyone knows we are celebrating  
our 104th birthday.

The St. Albert Chamber of Commerce is to  
be complimented for the enormous task  
they took on their shoulders in organiz-  
ing this 103rd birthday, giving everyone  
a day to remember. Especial thanks to  
the three key men: Vince Ratchinsky,  
Jack Manarey and Gordon Parkes.

### DID YOU FIND IT?

One of the musicians of the RCAF Band  
lost the slide part of his trumpet on  
Monday, either on the fairgrounds or  
downtown. If anyone has found this  
small piece of shiny brass, please call  
Mr. Fred Uptown, St. Albert, or phone  
the St. Albert Gazette. The trumpet is  
useless without this piece.

# BIRTHDAY FIRE BALL RECREATION

The general opinion of our citizens is that everybody is happy with the celebration of our 103rd birthday. The parade was a big surprise to all and showed undoubtedly that co-operation can produce quality and quantity. Even the weather was on our side, he couldn't have been friendlier to us. But the best thing in our eyes was the community spirit. Once again our citizens had that strong pushing power which helped them to reach the goal they had planned for this day. We have many good people in our good town who like to support good things and who will give their time, effort and energy for it. Reviewing this successful day we are convinced that the same people with their strong community spirit will succeed if they support a solid and well planned organized recreation set-up which our town needs so badly. We can have sound organized recreation in our town under the leadership of a "Fire Ball", in close co-operation with the Recreation Board and Community League.

During a recent council meeting, one of the councillors blamed the failure of our town to have organized recreation on the non-co-operation between organizations. We believe he was right. Co-operation between all the organizations in our town has proven to be successful with our 103rd birthday. Let's co-operate now in the set-up of organized recreation and a recreation centre. Let's come together under the leadership of a "Fire Ball". Let the Recreation Board propose the appointment of a man who has the ability, the knowledge and patience to co-ordinate all our community powers, towards a strong and healthy recreation centre. If such a man is there, and if he is backed by all our clubs, organizations, churches, businessmen, etc., he surely will reach the goal towards which we are all striving. At the moment it is not only the swimming pool arena or playgrounds. It is the general recreation set-up, planned over many years and in the hands of people who are not interested in their position, but only in the benefit of our children, teenagers and adults who must grow up and live in a community which can offer them a good use of their leisure time.

Where is our "Fire Ball"? Legal, our good neighbor, has one! Can't we find anyone in our town? The community spirit is there, and where community spirit exists, there are certainly fireballs - good broad minded leaders who are eager to serve their community to make it a nice place to live. Let's look for a Fire Ball (If you want a Recreation Director) appoint this man as soon as possible. As our Mayor said at one of the recent Council meetings "we cannot afford to wait any longer". If a town with only 650 people can have a real "Fire Ball" we, with our 9,000 population could have at least 10 fireballs. There is no longer any excuse for further delay. A temporary Recreation Director is fine but will never solve our recreation problems. A Recreation Board is fine but can never operate efficiently if they don't have a man to continuously promote, organize and co-ordinate all those many recreation volunteers here in our town who have already waited so many years for a leader with that pushing power which will make all of us enthusiasts, and recreation minded. We sincerely hope that our council soon will receive positive suggestions from our Recreation Board regarding this matter and we have no doubt that our council will support any positive suggestions of the board for the establishment of organized recreation in St. Albert.

Community spirit, yes we have it! Let's use it then, without any delay.

### THE PARTY LINE

Civic Day - 1964 — Terrific Overheard at the parade:

"This is the best yet"

"Beats annual Teavellers Day parade and that's three times our population."

"I counted over 60 floats - the best parade yet."

"Here comes the Chamber of Commerce float - they're responsible for this. Let's give them a big cheer."

Overheard on the grounds:

"Did you see the 'Flotten Dance School' display? - really good. Some of those little kids are like pro's."

"The Chamber of Commerce sure deserve some credit - this is some Civic Day!"

"The exhibits are better than last year. In fact the whole thing is!"

"Boy, are those Lions beef burgers good - the gravy is scrumptious!"

"Did you play bingo yet?"

"Pretty good grandstand show eh?"

"That's more fireworks than the 'Big City'"

And of course summing all up, from a 5 year old being dragged away home "Hey Mom - can we come again next year?"

The Chamber of Commerce and all who contributed to St. Albert's Civic Day '64 deserve a real rousing round of applause for a job especially well done!"

### From Our Readers

Dear Sir,

You are to be complimented for carrying a complete and representative story on the Curling Rink controversy. While I am in complete disagreement with those who support the purchase of the rink, I still respect their right to express their views.

I also want to thank the people who signed our petition as well as those who phoned to give their support.

We just haven't any right to complain about civic government, or any other type of government, for that matter, unless we are prepared to participate as individuals in the daily affairs of our town or city. We also depend on a diligent press to keep us informed and I am pleased to see that you are fulfilling that obligation.

Yours sincerely,
